Friends of WVU Hospitals

4th Annual Golf Tournament

Join us on **Wednesday, September 17, 2025** at The Pines County Club for the Friends of WVU Hospitals Golf Tournament, a charity golf outing benefitting J.W. Ruby Memorial Hospital and WVU Medicine Children's Hospital. Friends Gift Shop is operated by the Friends of WVU Hospital. All proceeds go directly back to WVU Hospitals to help our patients.

There are multiple ways you can participate in this year's event and we have outlined that information in the following packet. We look forward to seeing everyone as we continue to support our patients and community.

The Pines Country Club

3062 Point Marion Road, Morgantown, WV 26505

The Pines began as a vision, which steadily shaped itself into reality through the dedication of avid golfers, filling the void left by Morgantown Country Club's closure. Pro designer Edmund Ault was engaged to lay out our 18-hole championship course, and carefully crafted its contours around the beautiful rolling hills of West Virginia. Incorporated as a private club in 1968, it opened officially to shareholders in 1970, and to this day is considered the best golfing experience in the Morgantown area. In addition to its course, the Pines offers a driving range and putting green, a winter simulator, heated swimming pool, clubhouse facilities with lockers and showers.

The Golf Course

The Pines Country Club's 18 hole championship golf course has consistently been one of West Virginia's most remarkable golfing experiences.

The 6,700 yard layout is surrounded by the beauty of Morgantown's rolling hills and mountains. We have been honored to host the LPGA's Future's Tour and numerous WVGA Championship events. Our five sets of tees offer a challenge for golfers of every age and ability, including junior tee markers to make it fun for the whole family. A million dollar bunker renovation has restored every hole to postcard perfection. Our greens are smooth and fast, long considered the best in the area. Whether you are a competitive golfer or new to the game, The Pines Country Club will always offer you Morgantown's most remarkable golfing experience.

Our sponsorships are a great way to give back to our community, promote your business, and support J.W. Ruby Memorial Hospital and WVU Medicine Children's Hospital. Sponsorship will include your logo on signage, printing, and social media.
